Activities that Both Occupations Have in Common

Similarity of Focus Occupation to Associated Occupation: 90

Focus Occupation: Physical Therapists (29-1123)

Associated Occupation: Physical Therapist Assistants (31-2021)

Work Activities	Exclusivity of Activity
Administer medications or treatments	46
Apply traction	85
Construct medical supportive devices	87
Evaluate patient response to therapy	78
Fit medical supportive devices	85
Observe patient condition	48
Plan therapy treatment program	77
Position patient for therapy	70
Take vital signs	56
Use knowledge of medical terminology	40
Use massage therapy procedures	81
Use medical equipment in direct patient care	75
Use physical therapy equipment or materials	99
Work with persons with mental disabilities or illnesses	62

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.
